This plan, proposed by the debtor, contains provisions that may significantly affect your rights. It contains matters, which if not objected to, may be accepted by the court as true. Creditors cannot vote on this plan. A creditor who wishes to oppose the plan may do so by timely filing an objection to the plan. Any objection must be in writing and must be filed with the court and served upon the debtor, debtor's attorney and the chapter 13 trustee by the time set by the court for the first meeting of creditors, within five (5) days thereafter, or as otherwise allowed by law. Absent any such objection, the court may confirm this plan, accept the valuations and allegations herein, and grant the MOTIONS without further notice or hearing. You must appear at confirmation of the plan to assert your objection, or it may be denied without further notice or hearing. The provisions of the confirmed plan will bind the debtor and each creditor.

1. Payments to Trustee. Such portion of the projected future earnings and income of the debtor as is necessary for the execution of the plan is submitted to the supervision and control of the Chapter 13 Trustee for the duration of this plan, to wit:

(a) **Periodic Payments.** Debtor will pay to the Trustee for a term, not exceeding 45 months, the sum of \$275.00 monthly.

(b) **Income Tax Refunds.** During the initial 36 months of the plan, if debtor is entitled to any income tax refunds, the debtor shall also surrender the refund for the benefit of creditors. At any time during the term of the plan, debtor shall be entitled to use a tax refund to pay taxes due any other taxing authority; however, the debtor shall remit any tax refund balance to the trustee. Upon the trustee's recommendation or upon notice and hearing, the court may enter an order entitling the debtor to retain, in

15

whole or in part, tax refunds owing during the term of the plan to facilitate the terms of this plan or meet the other reasonable or other necessary needs of the debtor.

(c) **Early Payoff.** This plan may not be paid in less than thirty-six (36) months by debtor without notice to interested parties and an opportunity for hearing before the Court.

(d) **Wage Deduction Order.** Debtor acknowledges that if the debtor is ever more than thirty (30) days delinquent on any payment due under section 1(a) of this plan, upon request of the trustee, a wage deduction order to debtor's employer may immediately issue.

2. **Deferral of Payments for Cause.** The trustee for cause may defer not more than two monthly payments per calendar year without further notice to parties or hearing before the Court.

3. **Disbursements & Plan Treatment by Trustee.** From the payments so received, the trustee shall make disbursements as follows:

(a) **Provisions for Priority Creditors.** Full payment of allowed claims entitled to priority under 11 USC Section 507 in deferred cash payments as follows:

(1) **Trustee.** Fees to the trustee as provided by 28 USC Section 586.

(2) **Attorney.** Fees to the debtor's attorney in the total amount of \$550.00 in equal monthly installments over the initial 13 months.

(3) **Maintenance/Child Support.** Unless the holder of the claim agrees otherwise, upon confirmation of the plan and the filing of an allowed claim, allowed unsecured claims of a spouse, former spouse, or child of debtor, for delinquent maintenance or child support shall be paid in equal monthly installments over the term of the plan.

(4) **Taxes.** Unless the holder of the claim agrees otherwise upon confirmation of the plan and the filing of an allowed claim, allowed unsecured priority claims of governmental units shall be paid in equal monthly installments over the term of the plan.

(b) **Provisions for Creditors Holding Secured Claims.**

(1) **Modification of rights of holders of secured claims.** To each of the following named creditors, the full value of the allowed secured claim held by them, provided a timely allowed claim is filed. Any portion of the debt owed to a creditor in excess of the allowed value of the collateral will be treated in this plan as an unsecured claim. Each creditor holding an allowed secured claim shall retain its lien on the collateral securing that claim until the *allowed secured value* has been paid, at which time the

lien shall be released. The *allowed secured value* is defined as the lesser of the amount of a creditor's claim or the value of the creditor's collateral, as set forth in this plan, amortized at the rate of interest (simple interest, direct reducing), and over the number of payments as set forth in the plan as confirmed. Unless otherwise specified, no pre-confirmation interest shall be paid. Upon payment of the said allowed value of the secured claim, the secured creditor's lien shall be released, void of any further effect, including void of any further security interest. Unless otherwise ordered by the Court, payments shall commence upon filing of an allowable claim and pursuant the terms of the Order of Confirmation of the plan. *Secured creditor rights and claims will be modified in accordance with the values and terms provided for hereinafter by debtor. An order valuing the secured portion of a claim, at less than the total amount of the claim, voids the creditor's lien to the extent of the unsecured portion of the claim.*

The debtor hereby moves the court for an order so fixing the value of the collateral as follows:

Creditor	Description of Collateral	Allowed Secured Value	Rate of Interest	Frequency of payments
_____	_____	_____	_____	_____
none				

If a secured creditor objects to this provision, debtor will nevertheless ask the Court, at the hearing on confirmation, to confirm the plan over such creditor's objection, pursuant to 11 USC Section 1325(a)(5)(B). In the event that any such secured creditor fails to timely file a secured claim, a late filed claims shall be allowed for purposes of distributing payments for the secured portion of its claim. In the event that such creditor may have an unsecured portion in its proof of claim, no distribution shall be allowed for the unsecured portion of the claim. At the discretion of the trustee, **allowed secured values** of \$500. or less may have payment accelerated.

To each of the below named creditors, the debtor does not propose to pay, in full, their allowed secured claim during the term of this Plan.
